MEMORANDUM FOR: See Distribution

SUBJECT: Loan of B Camera to and Associated
PR-9 Modification Requirements

25X1C

1. Based on contents of reference message, it appears that OSA should now begin "in-house" preparations necessary to enable us to react quickly to a potential formal request regarding loan of the B camera - plus OSA contracting support for modification of the PR-9 aircraft.

2. As a minimum we should focus on the items listed below:

a. Contracting procedures for aircraft modification.

25X1C

b. Necessary documentation required to release NRO B camera asset to

25X1C

c. "Take" sharing agreements of B camera product obtained by

25X1C

d. Considerations regarding future B camera support requirements.

e. Cover considerations.

f. Unforeseen problems that might arise in subject transaction.
